WOMEN RAIDERS BREAK UP CAROLINA STILL

Descend Upon Plant When Men Are Away and Scatter Wreckage Along Road.

ASHEVILLE, N. C., May 2.—Bringing details of the first raid ever conducted in the mountains of western North Carolina by women on an illicit still for the manufacture of whiskey, Revenue Officers J. H. Reed, in charge of this district, and J. F. Cabe, returned from Madison and adjoining counties. According to the officers, reports had been reaching the best people of the Bull creek section of Madison county for some time that illicit stills were operated and many young men had been found drinking. Several days ago a number of the women of that section banded together, searched out the still, found it, destroyed the outfit and threw the pieces into the main highway leading to the place as a warning to others.

GRAFTS HAIR TO CURE BALDNESS

French Doctor Says He Can Give John D. and Others Luxurious Looks.

PARIS, May 2.—"If John D. Rockefeller will spend one-fifth part of one day's income I will guarantee to place upon his bald head within three months a thick, luxurious growth of hair."

This assertion was made by Dr. Raymond Passot, who, with Dr. Herpin, achieved some wide fame during the war by mending fractured faces and remodeling ears, noses, and chins of mutilated soldiers.

A month ago he created a sensation by his announcement that he could permanently remove wrinkles and double chins by means of surgical operations. Mary Garden, Cecile Sorel, the Parisian prima donna; Fanny Ward, and many others have already made the experiment, with great success.

Dr. Passot has announced that he has positively and permanently cured six bachelors of baldness, through a slight surgical operation which is painless and leaves no ill-effects.

"In cases like those of Mr. Rockefeller or Joseph Caillaux," said Dr. Passot, "it will be possible to graft on hair, using skin from other parts of the body or from the heads of other men."

"It is time to cease treating frivolously the perfectly natural desire of middle-aged men and women not to grow old-looking. As a result of the ridicule facing anyone who wishes to preserve his youth they are forced to visit quacks, paying huge sums to insure secrecy."

"Now science has taken the matter in its hands and any ordinary practicing surgeon can within a few days perform operations removing wrinkles and double chins, hiding scars, and restoring hair. There is no longer any excuse for going to quacks."

DEMS PREDICT VICTORY IN BASEBALL CLASSIC

Donkey Team Has Texas Battery to Send Against Cohorts G. O. P.

Democrats of the House are anxious to get a crack at the Republicans in the annual Congressional baseball classic. The Dems. think they have something on the G. O. P. in baseball talent, even though Pat Harrison, long a star for the Donkey team, has gone over to the Senate side.

If the Congressional game is played this year the Democrats will send their famous Texas battery, Jones and Lanham, in to hold the Republicans down and manufacture hits enough to put the Democrats on top. Jones once garnered five hits in a game and won it single handed.

Congressman Lanham, a new member, received his early education in District of Columbia schools. Jones and Lanham are already working out for the game, and the newest member of the Texas delegation is handling the twisters of the old Democratic star in handy fashion.

RESOLUTION TO LIFT PAPER BAN WINS FAVOR

The Underwood resolution appointing a special commission to negotiate with Canadian officials for raising of the Canadian embargo on the exportation of print paper and wood pulp to the United States was favorably reported to the House yesterday by the House Foreign Affairs Committee.

The commission will report the result of its negotiations, with recommendations, to the President. The resolution has passed the Senate.

So "H A H N'S" are 44 years old!

Yes Folks, this week we celebrate the completion of 44 long years of SERVICE to the Washington Public.

That's a long time - and there must be something worth-while about an establishment that has weathered all the years that have come and gone since WILLIAM HAHN opened his first small store way back in '76.

BUT YOU'LL WANT TO HEAR ABOUT THIS "44TH BIRTHDAY SALE."

It will really be a SERIES OF SALES, continuing for two weeks in all departments.

In our WOMEN'S DEPARTMENT we shall deeply cut prices on more than half our entire stocks of fashionable Spring Low Shoes - in blacks, browns and colors.

We want to reduce these stocks to a minimum before the start of the White Shoe Season.

SO OUT THEY GO AT \$7.85 AND \$10.85 PAIR!

BIG EVENTS will be going on simultaneously -

In our "GEO-BUFF" Depts.
In our Men's Departments
In our "Junior" Women's Depts.
And in our "Stocking Shops"

All in all, one of the most wonderful Shoe Buying Opportunities in years - but only a small token of our appreciation of your loyal support, these past 44 years!

Faithfully yours,

Wm. Hahn
